We would like to remind our patients of our opening hours and procedures during cyclone alerts:

Blue Alert: Business as usual. All appointments will continue.

Yellow Alert: If the Bureau of Meteorology has put a yellow alert in place by 8am on a given morning the Centre will not be opening. All appointments will be cancelled. If a yellow alert is called during a day and we are already open, your appointment may still take place. Contact us on **9185 2071** for further information.

Red Alert: The clinic will remain closed until the all clear is given.

In the event of a possible cyclone in our North West, or road closures that may prevent you from attending your appointment, please contact us by phone on **9185 2071**.

If you are having trouble reaching us, further information may be available on our answering service, website updates, or via updates on the Pilbara Chiropractic Centre Facebook page.
